

NORMAN-SPENCER REAL ESTATE RISK PURCHASING GROUP

Welcome, and thank you for choosing to purchase your Real Estate Errors and Omissions coverage through us via your insurance agent. Your policy is attached.

In conjunction with your policy, risk management services are provided as an additional benefit for your coverage protection. These benefits are administered by the Norman-Spencer Real Estate Risk Purchasing Group and by virtue of purchasing your policy from us; you are now a member and will have access to the benefits described below.

To access these benefits, go to the Norman-Spencer Real Estate Risk Purchasing Group at www.realestaterpg.org and click on the Member Area, then enter "**normanspencerrpg**" in the password box.

Real Estate Risk Purchasing Group (RPG)

The Norman-Spencer Real Estate Risk Purchasing Group combines the buying power of our real estate professionals and provides them competitive rates and risk management benefits for a significant cost savings. Only members of our RPG have access to the Norman-Spencer Real Estate Errors & Omissions Program.

In our Errors & Omissions insurance program for real estate professionals, each member holds their own policy limits. Norman-Spencer's Real Estate RPG is dedicated to helping protect your real estate business. We do this through high quality errors & omissions coverage tailored to the specific needs of the real estate industry.

We continue to innovate the content and delivery of new and timely risk management tools to help our customers maintain a competitive advantage by being up-to-date on the latest news and trends.

Featured Benefit:

• Legal Risk Management Hotline (1-877-228-0273)

A proactive, claim prevention resource tool to assist your business in reducing claims. Get answers from attorneys specializing in the real estate industry.

Additional RPG Benefits:

By taking part in our RPG program, you will receive some of the following exclusive member benefits:

- Access to affordable, **errors & omissions insurance protection** designed specifically for the real estate industry
- Access to **risk management resources** designed to minimize risk exposure and reduce claim experience
- Access to professional **news** about real estate safe practices
